ABOUT THE INSTITUTE (SRPEC)

Smt. S. R. Patel Engineering College, a leading engineering institute of North Gujarat is about 28 Km. away from Mehsana. It was established in the year 2009. The institute is promoted by Smt. Sushilaben Rameshbhai Patel Charitable Trust and supported by Ajay Engi-Infrastructure Pvt. Ltd., Mehsana. In amidst of the serenity of Dabhi, the institute encompasses a verdant green campus spread over twelve acres having a beautiful landscaping, gardens and peaceful environment, which provides a close proximity to the nature.

The institute is affiliated to Gujarat Technological University, Ahmedabad and approved by AICTE, New Delhi. It offers BE courses in Civil, Computer, Electronics & Communication and Mechanical Engineering along with ME courses in Computer and Mechanical (Thermal) Engineering. The wide spectrum of activities of the institute are designed to enable learning in application based environment through a combination of co-curricular technical workshops, conferences, expert lectures, symposiums, industrial visits and hands on experience in well-equipped laboratories.

VISION

To become a leading institute committed to shape a bright future for human community by developing effective and socially responsible individual and organization through technical education.

MISSION

SRPEC targets the all round development of the students. For fuelling the overall development of our country, it aims to produce worthy and loyal citizens of a great country in addition to good professionals. The institute helps to identify individual's potential, encourages through proper preparation and training to achieve individual's life goals and satisfaction.

CONFERENCE THEME & OBJECTIVE

Such interaction will facilitate better understanding to overcome the challenges.

CALL FOR PAPERS

Papers are invited for presentation at the conference. areas of interest are :

(Civil Engineering)

- Water Resources & Water Treatment Tech.
- Earthquake Engineering
- Application of GIS & RS in Civil Engg.
- Structural Engineering
- Transportation Engineering
- Green Technology
- Construction Technology
- Concrete Technology
- Geotechnical Engg.
- Natural Resources & Management
- Nano Technology in Civil Engg.
- Environmental Engineering

(Computer Engineering/IT)

- Internet of Things
- Algorithms & Optimization Techniques
- Artificial Intelligence & Expert System
- Cyber Physical System
- Computer Vision
- Robotics Applications
- Mobile Robots
- Industry 4.0
- Cloud Computing
- Data Mining & Warehousing
- Image Processing & Web Services
- Distributed System
- Gird/ Cluster/ Cloud Computing
- Mobile, Wireless & Sensor Network
- Security, Cryptography & Operating System

(Mechanical Engineering)

- Machine Design & Dynamics
- Thermal & Fluid Engineering
- Manufacturing & Automobile Engg.
- Welding Technology
- Material & Metallurgical Science
- Nano Technology & Nano Materials
- CAD/CAM/CIM/FEM/Robotics
- Industrial & Production Engineering
- Non Traditional Machining
- Advances in IC engines
- Non Conventional Energy Sources
- Refrigeration & Air Conditioning

REGISTRATION FEES

UG Students:- Rs 100/-

PG Students/Research Scholars:- Rs 200/-

Person from Industries/Academics:- Rs 500/-

Rs:100/- less for the ISTE, IETE, IEEE, ASME, CSI, IJERA, IAENG members.
