Smt. S. R. PATEL
ENGINEERING COLLEGE

NCIET-2018

Conference Report

One days National Conference on Innovative & Emerging Technologies, NCIET-2018 was organized on 19th May 2018 by Smt. S. R. Patel Engineering College, Dabhi - Unjha. Different technical research papers were invited under four different tracks of Civil Engineering, Computer Engineering/ Information Technology and Mechanical Engineering. The primary goal of the conference was to bring together the nationwide leading researchers, engineers and academicians interested together to exchange their innovative ideas in the fields of technology for futuristic development and human welfare. The conference was organized in association with Gujarat Council of Science & Technology (GUJCOST), Gandhinagar, Government of Gujarat and was supported by Indian Society for Technical Education (ISTE).

Mr. Rameshbhai H. Patel and Mr. Kalpesh R. Patel, the Chairman and Vice-Chairman of Smt. S. R. Patel Charitable Trust were the main patrons of the conference. The conference was successfully completed in the presence of Dr. Ami H. Shah, Principal-SRPEC & Convener, Prof. M.M.Patel Coordinator NCIET-2018, Prof. Santosh Rathore, Co-coordinator of NCIET-2018.

The conference received a tremendous response from different institutes of academia and industries. About 43 technical and research papers were received from active researchers and scholars in academia and industries. After proper review of the papers by eminent reviewers, 38 papers were selected for conference presentation. The topics of the presented work was comprising of latest and state of the art issues of engineering and technology like computational, Transportation engineering, Structural engineering, Water resources engineering, Environmental engineering, Thermal, Design , manufacturing, renewable energy, seismic response, cloud computing, networking and image processing etc.
